

Pro-Tech Orthopedics' Commitment to Excellence

Pro-Tech Orthopedics is an Orthotic Design Center that understands real people and provides real solutions for everyday situations. **Pro-Tech Orthopedics** was founded by a practitioner who wanted to develop an Orthotic Fabrication resource that virtually eliminates timely modifications with an accurate fit for a more positive patient outcome.

We believe that no one person or customer is the same and in order to achieve the best results, each patient and customer deserves a custom approach. **Pro-Tech Orthopedics** is a comprehensive orthotic manufacturer that emphasizes the individuality of each customer. Along with all the other qualities that we have to offer, the most important objective of our business is to contribute to the quality of patient care. Customer satisfaction and patient care are our top priorities.

As a team, we offer practical insight to your orders, competitive pricing, and share with you the determination to pursue advancements in our industry. We thank you for your interest in our products, and look forward to hearing from you.

Sincerely,

Tom Kimball
